

**Duorein**

Duorein is a blend of all natural herbs. This blend dates back to herbal remedies used by the Chinese. It was found that special herbs, when blended in a ratio, would yield a natural diuretic effect. Natural products can be very fast acting and can achieve their objective with little or no side effects. Duorein is a natural product. It is a blend of special herbs. This is important as it allows you to use the product without governmental supervision. The use of Duorein will not cause any regulatory agency to question your activity. Duorein is packed in 7gram vials which allows you to store the product until you are ready to use it.
