

MaxPlus™

MaxPlus™ has been reformulated to deliver even faster, more effective results than ever before. This energy and iron-rich multi-vitamin supplement is a highly concentrated source of premium grade B complex vitamins, chelated iron, vitamins A and D and the essential amino acid methionine. Specially formulated for maximum absorption, MaxPlus delivers these nutrients in a palatable, easy feeding liquid form your horses will love. MaxPlus is guaranteed to produce satisfactory results – or your money back.

Ingredients:

Water, Sugar, Alcohol, Ferric Ammonium Citrate, Choline Chloride, Polysorbate 80, Niacinamide, Sodium Carboxymethyl Cellulose, Natural & Artificial Flavors, Citric Acid, Yeast Extract, DL-Methionine, Thiamine Mononitrate, Inositol, Vitamin E Supplement, Riboflavin, Vitamin A & D Blend, Methyl Paraben, d-Pantothenic Acid, p-Aminobenzoic Acid, Pyridoxine Hydrochloride, Propyl Paraben, Folic Acid, Artificial Colors, Menadione Sodium Bisulfite Complex, d-Biotin, Sodium Selenite and Vitamin B12 Supplement.
