

**Vita Flex® DMG**

Recommended to support oxygen utilization and muscle recovery.

Vita Flex® DMG delivers a minimum of 1,500 mg DMG HCl per ounce. DMG is a natural metabolic enhancer favoured by trainers and athletes. N, N-Dimethylglycine helps transport oxygen to break down glycogen, fueling the ATP cycle and creating energy in the body. DMG is a water-soluble ingredient and is readily absorbed. Vita Flex DMG 1500 is a premium quality, affordable source of dimethylglycine hydrochloride for horses.

**Ingredients:****Active Ingredients per 1 oz:**

N, N-Dimethylglycine hydrochloride 1,500 mg

**Inactive Ingredients:**

Calcium silicate, dextrose, silicon dioxide

**Feeding Instructions:**

Enclosed scoop holds 1 ounce (by weight).

Give 1/2 scoop (750 mg DMG HCl) twice daily for maintenance. Give 2 to 3 level scoops twice daily beginning 2 to 3 days before and during performance, or as directed by veterinarian. Increase supplementation of large breeds proportionately according to body weight in excess of 1,000 pounds. Severely stressed horses may benefit from additional amounts. Keep cool and dry. Reseal after each use.
